Surge Suppression Incorporated® Attends OBO Panel Meeting

Mr. Tom Callaway of Surge Suppression Incorporated® attended the June 2 meeting of the OBO's Industry Advisory Panel (Overseas Building Operations). This Panel meets every quarter to discuss ways to improve the Design Build Program for OBO's Embassy Construction Program (see ENR article).

Mr. Callaway's attendance at this prestigious meeting came at the invitation of OBO Staff. He was impressed with the exchange of ideas at this meeting and the openness of the leadership of the OBO and looks forward to attending the next meeting.
